

# **Postdoctoral fellow positions are available in the group of Professor Jinlong Gong**

**(Tianjin University)**

The Energy & Environmental Catalysis Laboratory, directed by Prof. Jinlong Gong, is looking for motivating talents **at the postdoctoral level**, to tackle problems in **heterogeneous catalysis, surface science and chemical reaction engineering**.

Our research group ([gonglab.tju.edu.cn](http://gonglab.tju.edu.cn)) is one of the core teams of Collaborative Innovation Center of Chemical Science and Engineering in Tianjin. With adequate funding, we undertake many key projects such as National key research and development program, Natural Science Foundation of China, etc.

## **QUALIFICATIONS:**

- PhD in physics, chemistry, or chemical engineering. We will give priority to those who received their doctoral degrees from the world's top 100 universities;
- Research experience in surface science and chemical reaction engineering are preferred;
- Highly motivated and self-dedicated scientist, good team player and excellent interpersonal skills;
- Written and spoken fluency in English and excellent communication skills.

## **WE OFFER:**

- The position are supported either by the International Postdoctoral Exchange Program-Introduction Project of the National Postdoctoral Management Committee Office or by the 2011 Plan of Tianjin University (TJU). TJU will offer attractive salary (250K – 300K RMB per annum), social insurance and housing allowance.
- Excellent PostDocs have priorities to promote to a tenure-track position at Tianjin University.

## **Application Procedure**

If you are interested in this opportunity, please email the following application materials:

- Curriculum Vitae, including your academic/professional experience and publication list with DOI.
- Names and contact information of three professional references.

to [jl\\_gong@tju.edu.cn](mailto:jl_gong@tju.edu.cn) or [murt@tju.edu.cn](mailto:murt@tju.edu.cn). Please indicate "postdoctoral application - current address - name" on the title of your application email.

We are looking forward for you to join us!
